Re: Freedom of Information Act Request - Tracking No. 789829 and 805943

To whom it may concern:

We received the enclosed October 16, 2015, Freedom of Information Act (FOIA) request from Robert Lytle for all records and reports regarding asbestos in talc from 1940 to 1990. We also received a FOIA request from Mike Chase dated June 1, 2016, requesting the same information.

While processing these requests we located the enclosed records which originated in your office. These records were found in our files and may or may not be responsive to the request. We are referring 2 pages of material and a copy of the request to you for a direct response to the requester.

If you have any questions, please contact Ainsley Settles at 202-693-9600 or via email settles.ainsley@dol.gov

Sincerely,

Kevin G. Stricklin
Acting Administrator for Metal and Nonmetal
Mine Safety and Health
